(08/21/08 10:00:28)

**Coast Guard suspends search for missing plane.** The Associated Press reports that 56-year-old Brian Andrews, the deputy commissioner of the state Department of Revenue, and his son Brian, 24, were aboard the missing plane.

The search included state and federal personnel and civilians and covered more than 4,800 miles of land, water and shoreline, but the plane was never found, and its locator beacon had not activated.
